# BLS 2024 Theme

## *Building a Future - Ready India:*

## *Business Leadership & Strategic Autonomy in Shifting Global Landscape*

The theme of this year's Business Leadership Summit highlights **India's journey towards becoming a future-ready economy**, emphasizing the importance of business leadership and strategic autonomy in an ever-evolving global landscape. As the world transitions towards a multipolar order, where multiple countries hold significant influence, India's ability to navigate this complex environment will be crucial. Through technological advancements, robust policy reforms, and a growing consumer base, India is positioning itself as a global leader. The theme will explore how businesses, consumers, and leaders can secure sustainable growth amidst these shifting dynamics, ensuring resilience and long-term success.

## Keynote Speaker

Mr. Chandra Shekhar Ghosh is the founder, MD, and CEO of Bandhan Bank, established in 2001 as a microfinance institution and transformed into a universal bank in 2015. He is renowned for driving financial inclusion and empowering underserved communities, making Bandhan a leader in microfinance-focused banking.
