MESSAGE FROM THE DIRECTOR

Dear Recruiter,
Greetings from IIM Shillong!

We are delighted to invite you to be a part of the placement season for the 12th Post Graduate Programme for Executives (PGPEX) at IIM Shillong. This brochure offers a comprehensive overview of our unique program, highlighting its various dimensions and the structured placement process we follow. Established in 2007 by the Government of India, IIM Shillong has consistently strived to deliver top-tier management education and groundbreaking research. While embracing global best practices, we remain deeply committed to Indian values. Having completed our 17th year, we continue to nurture forward-thinking leaders who are equipped with both the strategic mindset and emotional intelligence needed to navigate today's dynamic business environments, whether locally or globally. Launched in 2012, the PGPEX programme stands out as a specialized, full-time residential course designed for professionals with more than five years of industry experience across various sectors. One of the most distinctive elements of the PGPEX

programme is its strong international component. This year, our students are benefiting from an immersive learning experience at EADA Business School in Barcelona, Spain, which lasts around 45 days. With a curriculum and network that span continents, the PGPEX programme is truly global in outlook and designed to equip seasoned executives for the challenges of the international stage.

We warmly invite you to visit our picturesque campus and discover how our talented cohort can meet your organization's needs.

Prof. D P Goyal
Director

The Post Graduate Programme for Executives gives a holistic view of the business in India and abroad, a unique course designed for the working executives.

MESSAGE FROM THE PROGRAMME CHAIR

Dear Recruiter,
Greetings from IIM Shillong!

I am excited to present the dynamic 12th cohort of our Post Graduate Programme for Executives (PGPEX), a one-year intensive EMBA designed to foster global leadership and strategic thinking. This program has been crafted to equip professionals with the skills necessary to navigate both international and domestic business landscapes effectively. This year, the participants have had the opportunity to expand their horizons through an immersive program at EADA Business School in Barcelona, Spain. Through hands-on projects with Spanish companies, in-depth interactions with senior leaders, and coursework focusing on leadership in an evolving global environment, they have gained valuable experience and insights into international business operations. Our cohort is enriched by a wide range of professional and academic experiences, which adds depth to peer learning and collaboration. This diversity

empowers them to develop innovative solutions and lead with confidence in an ever-changing global economy. As we embark on this new placement season, I am confident that this talented group of professionals is well-prepared to add immense value to any organization they join. I extend my best wishes to both the recruiters and the participants as they embark on this exciting journey together.

Prof. Sitanshu Sekhar Das
Chairperson, PGPEX

MESSAGE FROM THE PLACEMENT CHAIR

Dear Recruiter,
Greetings from IIM Shillong!

As global connections deepen and diverse perspectives converge, the demand for resilient and adaptive leaders is greater than ever. With technological advancements constantly reshaping industries, businesses require leaders who not only drive innovation but also uphold responsible, purpose-driven leadership. I am pleased to extend an invitation for your esteemed organization to collaborate with IIM Shillong as we prepare to shape the next generation of leaders. Our Executive Participants are eager to engage with recruiters who can provide opportunities that align with their ambitions and enable them to contribute effectively to your organization's growth and success. At IIM Shillong, we believe in nurturing leaders who go beyond profit-driven goals to address broader global challenges. We invite organizations that share our vision of responsible business practices—where companies play a key role in driving positive societal impact. By visiting our campus,

you'll have the opportunity to experience first-hand the learning environment we've cultivated, one that fosters critical thinking, innovation, and leadership with a strong ethical foundation. We warmly welcome you and your team to connect with our talented graduates and explore how they can contribute meaningfully to your organization's future. We are excited about the potential to partner with you in building a more sustainable and impactful future together.

Thank you for considering this invitation. We look forward to the opportunity to collaborate with you.

innovative leaders with strong ethical values.

WHERE THE GREENS TOUCH THE CLOUDS

Located at an average altitude of 1496 metres above the Main Sea Level, Shillong is nestled in the Khasi Hills, covered by the green cornucopia and the dreamy clouds. Shillong, a city full of life and a place to be, is the capital city of Meghalaya "the abode of clouds".

It is one of the leading education hubs in the North East with many schools and colleges specked in the picturesque settings. The city has beats and rhythms in everything: the church bells, the choirs, the rock bands and music flows in every nook and corner.

Surrounded by the hills, the city is in the vicinity of many beautiful tourist spots: Shillong Peak, the Elephant Falls, and the Ward's Lake. The rains and mist in the air add to the charm of the place. As many have rightly quoted, the places in and around Shillong reminded many of the rolling greens of the Scottish highlands - thus it is also known as "Scotland of the East". The human eyes' thirst for beauty can be quenched by the scenic surroundings of Shillong.

The full glory of Nature can be seen in the forests, lakes, and water-falls, that are present in the region. For the adventure seeking souls there are challenging trekking routes in Smit Valley or the David Scott's trail. Just near to it is Cherrapunji which offers many more places to sooth one's eyes with Nature's beauty. In Shillong, the hills keep reckoning the heart with its charm and so it's best to keep your cameras and back packs ready!

And for the conventional tourists, Shillong offers no less! The Elephant Falls, Wards Lake, Shillong Peak, Capt. Williamson Sangma State Museum, Cathedral of Mary Help of Christian, Sweet Falls and Don Bosco Centre are a few notable tourist spots in and around the city. Be it the "Sacred Groves" of Mawphlang, the engineering marvels of the "Living Root Bridges" or the resplendent Nohkalikai Falls, every place is a cynosure for the eyes.

ABOUT INSTITUTE AND COURSE

INSTITUTE

IIM Shillong has been set up with a vision of providing quality management education and research in the North Eastern region of India. The decision of coming up with an Indian Institute of Management in the North East was unanimously taken by the Union Minister of Human Resource Development along with the Chief Ministers of the North Eastern States in the Review Meeting held at Shillong during June 2004. Shillong was drafted as the permanent location for the institute after consultation between the Ministry of Development of North Eastern Region (DONE) and the Chief Ministers of States of the region.

Located in the green contours of North Eastern part of the country, IIM Shillong which commenced operations in 2008, remains committed to its goal of excellence in management education and research so as to evolve into a nationally and internationally recognized educational institution.

Besides high quality standards and academic rigor, which are considered as the hallmark of an IIM, in IIM Shillong there is an emphasis on the ever growing significance of sustainable development and business practices. The Institute strives to impart to its students ethical values, compassionate behavior, and concern for society.

To ensure a holistic management education and to help the graduates grow into innovative leaders of the future, the Institute provides opportunities outside the classrooms, be it industrial interactions, sports competitions, cultural activities or entrepreneurial pursuits. The quality of instruction, rigorous course curriculum and exposures that the students get at IIM Shillong when coupled with their Summer Internship experience makes them adequately prepared and confident to face the challenges of the corporate world.

COURSE

The program endows a transformational journey that opens up new avenues for your future career. Expanding one's 'points de vue' and fostering meaningful connections while studying alongside growth-oriented peers, one builds the competencies that differentiates them to lead business operations across the transnational landscape. During the twelve-month, program students develop critical problem-solving skills with functional management knowledge that brings a contemporary solution to today's challenges.

They engage with the collaborative community at IIM Shillong to build curiosity that makes one aware of the ethical and sustainability challenges in business and society and the disruptions catalysed by the emerging technologies.

As we see strong trends reshaping the working space and the need for critical skills and organizational capabilities with demand for networked learning, the program curriculum has undergone changes to remain contextually relevant and develop in its participants such competencies which are essential for thriving in today's networked and increasingly collaborative organizations. Since its inception, the PGPEX program has focused on managing business in the emerging markets.

The program for the tenth batch is more global in its curriculum while recognizing the need to contextualize and cater to the needs of transnational communities. The international module of the program ensures that each participant gets insights into the economic, social and cultural aspects of emerging countries. Each participant gets first-hand exposure to the country during the visit and understands the contemporary situation and society's evolution. The workshop series and innovation camp are the hallmarks of this program that provides an opportunity to think outside the box and translate your innovations, creativities and insights into something relevant.

THE PROGRAMME MISSION

- » Exposure in transnational work environment
- » Functional competencies
- » Innovative and Integrative approach to problem solving
- » Attitude to managing organisation through data
- » Ability to appreciate nuances of responsible management
- » Skills and attitudes to lead and impact

THE PROGRAMME HIGHLIGHTS

- » Global curriculum with emerging insights.
- » International in-company training/ live projects.
- » Focus on in-demand Skill
- » Demonstrate critical thinking ability
- » Spirit of Intrapreneurship
- » Peer Learning and Networking opportunities
- » Career Management Services

This is especially designed with the aim to help students put into effect the knowledge that they have gained through the program and to generate relevant professional literature. The dissertation work typically involves about 180 to 200 hours of high quality work.

RESOURCES

CAMPUS

The serene ambience of IIM Shillong surrounded by pine trees, lush green lawn and the kaleidoscopic mountains in the backdrop creates an aura of stunned silence amidst nature. Within the heart of Shillong city, the IIMS campus showcases a tranquil environment where the students can concentrate on their regular activities.

The sprawling 120 acre Umsawli campus is the centre of a rich history transformed with state-of-the-art facilities, all in the lap of nature. Our 'campus in the clouds' is the perfect interface for peace and pace. It is the ideal setting where industry, academics, policy, the world of business and personal transformation meet.

We are what we repeatedly do. Excellence, therefore, is not an act but a habit.
- Aristotle

CAMPUS

All the class rooms are aesthetically designed with high tech infrastructure and are fully equipped with modern facilities to help participants in their learning process. Each class room has a smart board with Internet connectivity.

This relieves the participants from jotting down class notes, and instead concentrate on the discussion. The class jotting on the board can be mailed to the email accounts of the participants after the class. The classes are also provided with high speed wireless internet connectivity, so that necessary literature from different databases can be downloaded to enhance classroom discussion.

Most of the class rooms are provided with wireless microphone facilities. These classrooms are also equipped with videoconferencing facilities.

STUDY ROOMS

Dedicated study rooms are provided in every hostel and also as standalone rooms in between which provide a unique place for the student to come together for exchange of ideas and knowledge. They are provided with printing, scanning and computing facilities at all times.

HOSTELS

IIM Shillong offers fully residential facilities to all the participants. The hostels offer the candidates a home away from home and are equipped with all the requirements including laundry, mess services, library and high speed LAN connectivity.

KNOWLEDGE CENTER

The Knowledge Centre (Library) of IIM Shillong, which is one of the most modern and tech savvy libraries in the country, has started functioning right from the time of inception of the institute. Our goal is to make the library one of the most vibrant and productive branches of the Institute so that it may keep pace with the global, dynamic and technology enabled information age, and meet the expectations of its end users.

With the above aim in view, within a short span of time, we have acquired an excellent collection of management related books, journals and non-book materials, which we consider as our greatest asset. The library maintains

separate collection of reference books, textbooks, general books, working papers and other documents, whereas the non-book collection consists of video cassettes, Compact Discs, etc. Faculty members are requested to make regular requisition of latest books to add value to the Knowledge Centre and equip the library with the latest collection of books. The library also has the latest collection of periodicals, magazines and newspapers. We have also begun the process of updating the Centre with rich collection of both Indian and Foreign Journals for which the process is underway.

E-RESOURCES

Equipped with the latest E-Resources (E-Books, E-Journals, and Data-base) such as CMIE-Prowess, ISI-Emerging Markets, ProQuest, and EBSCO - Business Source Complete. We have also installed Bloomberg Terminal to help students access information. We also have access to HBR cases which are widely used by all students and faculty members. The Library also has some special collections of

- i) EXIM Bank,
- ii) World Bank, and
- iii) Harvard Business Review.

The Knowledge Centre also joined the IIM Consortia Cross Sharing of E-Journals with three Publishers:

- (i) Taylor and Francis,
- (ii) Wiley-Blackwell and
- (iii) Springe

RECREATIONAL RESOURCES

IIM Shillong conducts various recreational events to keep the students adept with a sustainable, healthy, and stress-free lifestyle. Our Campus provides various resources for such purposes so that the students participate and reap the benefits of such events.

AUDITORIUM

The institutes provides for an auditorium within the campus, surrounded by lush greenery which serves for many academic as well as extra-curricular activities of the candidates.

STUDENT COMMITTEES

PLACEMENT COMMITTEE

At IIM Shillong, our Placement Committee plays a pivotal role in aligning the dynamic demands of the corporate world with the aspirations of our esteemed candidates. We are committed to ensuring that our students not only excel academically but also possess the essential qualities and competencies that match industry expectations. Specifically tailored for the experienced executives of the PGPEX Programme, our Committee diligently identifies core competencies, nurtures personal growth, and moulds students into ideal candidates for the highly sought-after roles they aspire to secure upon graduation.

The Committee goes above and beyond, actively engaging with firms, industries, and C-suite professionals to forge partnerships during the placement drive season. We leave no stone unturned in preparing our students comprehensively for the rigors of the placement process. This involves close collaboration with the HR departments and Training and Placement Officers (TPOs) of various organizations, facilitating strategic discussions and meetings. At IIM Shillong, our vision is to create a seamless synergy between industry needs and student aspirations, ensuring that the right individual is placed at the right job. We are dedicated to fostering an environment where both the industry and students mutually benefit, with our graduates stepping into roles that drive organizational growth and success.

HOSTEL COMMITTEE

The Hostel Management consists of wardens and hostel manager, who are assisted by a student body i.e. Hostel Committee. The primary purpose of the committee is to facilitate communication between residents and hostel management and enhance the living experience for all the residents. The committee aims to represent the diverse interests and concerns of hostel residents. Members often come from different backgrounds and cultures, ensuring that a wide range of perspectives are considered when making decisions fostering a safe & harmonious living environment.

CULTURAL COMMITTEE

The Cultural Committee of IIM Shillong PGPEX aims to foster a sense of belonging among all the residents of the campus by celebrating the deeprooted ethos of Indian society. We ensure that every festival we celebrate, whether it is one of the most popular or originates from the smallest community in our country, aligns with our vision to honour cultural diversity and instil the aspect of sustainability in our lives. We are committed to continuing our mission of spreading joy and peace through various cultural initiatives, reaching every corner of our campus community.

INTERNATIONAL RELATIONS

The International Relations Committee plays a crucial role in enhancing the Institute's global standing by facilitating communication between students and the External Relations Office. It oversees various aspects of internationalization, such as academic programmes, cultural exchanges, global partnerships, events, and exchange programmes, ensuring that student input shapes these initiatives. The committee actively organizes and supervises global exchange programmes, contributing to the Institute's global education mission. Through events and workshops, IRC promotes international awareness and cross-cultural understanding among students, further bolstering the Institute's global reputation.

PUBLIC RELATIONS COMMITTEE

The Public Relations Committee of IIM Shillong acts as the interface between the institute and external entities such as corporates, media, and other business schools. It aims at creating, fostering, and managing professional relations with each of these entities. The committee organizes events such as iLeads, Contextual Leadership Talk, Industry Connects, etc, which enhances the visibility of the institute and gives the opportunity to the students to interact with Industry Leaders. The related press feed is constantly shared on social media handles.

SPORTS COMMITTEE

The PGPEX Sports Committee at IIM Shillong firmly believes in the profound synergy that exists between sports and MBA studies. We recognize that the amalgamation of these two seemingly disparate domains holds immense potential for holistic development. Pursuing excellence in sports cultivates essential qualities such as discipline, perseverance, and teamwork—attributes invaluable to an MBA graduate's journey. The strategic thinking, decision making, and leadership skills honed on the sports field seamlessly translate into the business world. Furthermore, team building, a cornerstone of both sports and business, instils the ability to collaborate effectively, fostering diverse perspectives and driving innovation. By actively encouraging our students to engage in sports alongside their academic pursuits, we not only nurture well-rounded individuals but also empower them with a unique set of skills that will undoubtedly shape their success in the dynamic landscape of business and life beyond.

ALUMNI COMMITTEE

Alumni play a pivotal role as the most steadfast supporters of our institution. Enter the realm of the Alumni Relations Committee, a driving force dedicated to fortifying the bonds among our alumni, students, faculty, and the broader IIM Shillong family. Our committee is committed to harnessing and amplifying the wealth of industry exposure and wisdom within our alumni network, a valuable resource in shaping the future of our institution.

In the capacity of programme representatives, the PGPEX Alumni Committee serves as the primary conduit between the global alumni community of IIM Shillong's PGPEX programme and the institute itself. We create a welcoming platform for the exchange of data, insights, knowledge, and experiences among alumni and current participants. Through a variety of engaging events, we facilitate peer learning, ensuring that the rich tapestry of experiences and expertise continues to enrich the educational journey for all involved.

STUDENT COUNCIL

The Student Council is the face and soul of the cohort. The representatives try to create an invaluable and enriching MBA experience for all the students through continuous academic, professional, and social initiatives. Be it Interactive events, team-building activities, or virtual jam rooms, the council ensures that fun and learning never stop.

Additionally, it acts as a pivot for smooth co-ordination between all other student committees. The council ensures that each participant inculcates a sense of belongingness and is given an equal opportunity to bask in the community first spirit, which is the exemplary "IIM Shillong way" of achieving goals.

INTERNATIONAL IMMERSION

As part of the PGPEX Programme in Indian Institute of Management Shillong, students will get an opportunity to engage in the foreign immersion programme, which promotes cultural awareness and helps students grasp the region's economic, commercial, and geopolitical environment.

The MBA programme combines classroom study of fundamental and advanced management concepts with real-world experience, including an international consulting project wherein students engage with companies on real-world issues and solutions. This experience will aid students in comprehending global business processes and practises while comparing and contrasting the same with those in India.

This year the batch visited EADA Business School in Barcelona, Spain. EADA Business School is accredited by EQUIS and AMBA, and is ranked among the top 30 Business Schools in Europe. The course curriculum is in conformation with the program competency goals with the region's flavour.

The faculty lectures at a global institute and interaction with industry professionals during Live Projects would widen the personal and intellectual horizons of students to better prepare them for leadership at a global level.

PAST RECRUITERS

PRIOR WORK EXPERIENCE

Experience: 5 to 7 years

Aakash Srivastava

Domain: IT/ITES

Organisations: Learningmate, Inquizity

Functional Expertise: Fullstack Product Development, Software Optimization, Release Management, Research And Development, Agile Scrum Project Management. Quality Assurance and Testing, and Technical Co-Product Owner

Experience: 5 to 7 years

Akshay Saxena

Domain: IT/ITES

Organisations: Deloitte Touche Tohmatsu India Llp, Bridgei2I Analytics Solutions, Tata Consultancy Services
